Karger Libri and
Lehmanns Media to
Cooperate in
Subscription Business
Transition

The subscription agency customers of Karger Libri have the option of a smooth transition to Lehmanns Media.

S. Karger AG in Basel is to withdraw from the subscription agency business and intends to close the Karger Libri, International Subscription Agency, at the end of this year. The subscription agency customers of Karger Libri have the option of a smooth transition to Lehmanns Media, as outlined in the cooperation agreement between the two companies.

The publishing house Karger Publishers will continue its operations but will now focus fully on its new strategic direction.

"We are pleased to have reached this agreement with Lehmanns Media, which we believe is in the best interests of all parties involved, first and foremost our valued customers," agree Gabriella Karger, Chairwoman of the Board of Directors at Karger Publishers, and Gregor Bangert, Head of Karger Libri, International Subscription Agency, and Manager, Research, Societies & Industry at Karger Publishers.

Detlef Büttner, Managing Director of Lehmanns Media states, "The transition of the subscription agency business to Lehmanns Media is an important step for us in order to be able to continue to offer professional services even at times of major transformations in scientific publishing."

About Karger Publishers

Karger Publishers is a worldwide publisher of scientific and medical content based in Basel, Switzerland. It is independent and family-led in the fourth generation by Chairwoman and Publisher Gabriella Karger. Connecting and advancing health sciences since 1890, Karger has been continuously evolving, keeping pace with the current developments and shifts in research and publishing. The publishing house is dedicated to serving the information needs of the scientific community, clinicians, and patients with publications of high-quality content and services in health sciences. Karger Publishers has 240 employees and is present in 15 countries around the globe.
